FLUID CONTROLS PRIVATE LIMITED CORPORATE SOCIAL RESPONSIBILITY POLICY

INTRODUCTION

Established in 1974, Fluid Controls Private Limited (hereinafter "FCPL") is a leading provider of instrumentation products and services for a wide variety of industrial applications. Headquartered in Mumbai, the group has a manufacturing facility and a state-of-the-art R&D centre and testing laboratory in Chakan, Pune.

PREFACE

This policy is titled the **Fluid Controls Private Limited Corporate Social Responsibility Policy** (hereinafter FCPL CSR Policy) and encompasses the Company's philosophy for outlining its responsibility as a corporate citizen. It lays down the guidelines and mechanism for understanding socially useful programmes for welfare and sustainable development of the community at large.

The FCPL CSR Policy shall be effective from the date of its adoption and approval of by the Board of Directors of FCPL

THE FLUID CONTROLS CSR VISION STATEMENT

The FCPL CSR **Vision** is "*For Society, By Society, To Society*". The Company believes that value created through business (including employment generation, market growth, creating opportunities, revenue growth) is based on societal inputs to the FCPL community. The Company view is that as this success is because of society, it is the responsibility of FCPL to give back to society -- so that a virtuous circle can continue.

THE FLUID CONTROLS CSR MISSION STATEMENT

The FCPL CSR **Mission** is "*Together we Connect and Create*". FCPL CSR creates shared value, integrates corporate, social and environment processes, ensures win-win partnerships and thereby promotes an environment which is useful for society.

THE FLUID CONTROLS CSR GUIDING PRINCIPLES

As a Socially Responsible Corporate FCPL, through its CSR initiatives, is committed towards building an environment for the benefit of present and future generations of stakeholders and to enhance value creation in the society in which it operates.

THE FLUID CONTROLS CSR APPROACH

Corporate Social Responsibility” (CSR) is a way of conducting business, by which entities visibly contribute to social good. The essence of CSR is to integrate economic, environmental and social objectives with the Company’s operations and growth. CSR is the process by which the Company thinks about and evolves its relationships with society for the common good and demonstrates its commitment by giving back to the society for the resources it used to flourish by adoption of appropriate business processes and strategies. The Company aims to create educated, healthy, sustainable and culturally vibrant communities.

The FCPL CSR Policy area of interest is outlined below:

1. Education:

To work on several educational initiatives to provide quality education, training, skill enhancement for improving the quality of living and livelihood. Initiatives are aimed at:

- a. Promoting primary and secondary education
- b. Enabling higher education through merit-cum-means scholarships, including for differently abled across the country
- c. Using sports as a tool for development of students in both urban and rural settings d) Promoting higher education including setting up and supporting universities
- d. Skill development and vocational training
- e. To support Educationally Backward Blocks (EBB’s)
- f. Education specially for the Girl Child

2. Disaster Management:

To strengthen efforts in the area of Disaster Management as one of the leading organizations with the capacity to respond in a timely and impactful manner in the affected areas. Initiatives would include:

- a. Building capacities of local communities to respond to disasters
- b. Developing expertise and resources to respond to disaster

CSR EXPENDITURE

1. Any surplus arising out of the CSR activities shall not form part of the business profit of a company and shall be ploughed back into the same project or shall be transferred to the Unspent CSR Account and spent in pursuance of CSR policy and annual action plan of the company or transfer such surplus amount to a Fund specified in Schedule VII, within a period of six months of the expiry of the financial year.

2. Where a company spends an amount in excess of requirement provided under sub-section (5) of section 135, such excess amount may be set off against the requirement to spend under sub-section (5) of section 135 up to immediate succeeding three financial years subject to the conditions that –
 - i. The excess amount available for set off shall not include the surplus arising out of the CSR activities, if any, in pursuance of sub-rule (2) of this rule.
 - ii. The Board of the company shall pass a resolution to that effect.

REPORTING MECHANISM

The Company shall publish its annual report on CSR Activities in its Directors Report in the manner prescribed under the Companies Act 2013 and the CSR Rules. The Board shall ensure spending of allocated amount on CSR activities and report the status in its annual report, also specify the reasons of not spending of the allocated amount, if any. The Board shall also publish its Report on the Website of the Company.

GENERAL

- 1) In case of any doubt with regard to any provision of the CSR Policy and also in respect of matters not covered herein, a reference should be made to the CSR Committee.

- 2) The Board of Directors on its own and/or as per the recommendations of CSR Committee can amend this Policy, as and when required as deemed fit. Any or all provisions of the CSR Policy would be subject to revision/amendment in accordance with the Act on the subject as may be issued from relevant statutory authorities, from time to time.

- 3) The Board of Directors on its own and/or as per the recommendations of CSR Committee will formulate the Annual Action Plan of CSR.
